

NEST

Nest, a new hybrid gallery/store, is a gathering place to experience art, showcase local talent, and inspire future generations. Founded by artist entrepreneurs Ann Trinca and Norma Quintana, it features rotating exhibitions plus a selection of unique merchandise, handmade by local artists. Many pieces are one-of-a-kind or limited edition and often utilize recycled materials. A percentage of the proceeds are put aside to build the "Nest Egg" fund which will be distributed through the Arts Council of Napa Valley to selected artists and arts organizations.

Currently the Nest is featuring "Shanghai Chic" with art and merchandise reminiscent of the Orient. Artists will include Miki Hsu-Leavey, Richard Reisman, and the young photographers from the Returning Swallows project. On February 9 & 10, Nest celebrates Red Hot Love with a weekend-long Valentines sale and card crafting workstation. On March 6 from 6:00-8:00 PM, Nest opens a show of "Natural History" featuring artists Rob Keller, Joy Broom and Valerie Raven plus merchandise representing all creatures great and small. ♡NVL
